Dr. Douglas M. Stephenson

March 20, 2011

Dear Patient:

It is with mixed emotions that I am announcing the closure of my consulting practice in health and wellness effective April 20, 2011. The final day of office operations will be March 31, 2011; however, I will be available via telephone consultation until April 20, 2011. It has been a great pleasure to provide for your health care needs over the years, and it is not easy for me to give it up.

As of April 1, 2011, Rene' McCarty, Physician Assistant, Certified at Lifetime Health Center in Tyler, Texas, will be assuming care of my patients. Of course, you may seek medical care from another provider if you like.

Your medical records will be on file at:
